

NEW ON-LINE PAYMENT OPTION FOR FAMILIES AVAILABLE BEGINNING OCTOBER 1, 2008

Yale Public Schools is pleased to introduce a new program call **e-Funds for Schools**. This program offers various options for parents/guardians who **choose** to make payments on-line and is extremely user friendly.

Not only will you have the ability to have lunch payments electronically withdrawn from your checking account or charged to your credit card, you also have the flexibility to make a payment at any time through the school's website. The **e-Funds For Schools** service is offered to you by a third party service provider and they charge for processing your payment(s), similar to other on-line banking services. The district does not request or keep records of family checking or credit card account information.

The "**e-Funds For Schools**" electronic payment service is provided to the school by a third party service provider. The service provider has a nominal fee for their service. **This plan applies a \$1.00 transaction fee to each electronic payment you make. For payments made by credit card, there is an added convenience fee of 1.99% of the payment.** The system also carries a Non-Sufficient Funds (NSF) charge of \$15. When you set up your account, please review your options carefully.

You are in full control of your account and can make a payment at any time that is convenient for you. No payments will be allowed without your knowledge and authorization through this secure payment system. By providing your home and/or work email address, an email notification informing you of the student's name, purpose of the payment, and the amount of the item will be sent to you each time that a payment is to be processed. The **e-Funds For School** site is secure and uses industry standard data encryption.
